Independent Auditors' Review Report

To the Board of Directors GMI Technology Inc.:

Introduction

We have reviewed the accompanying consolidated balance sheets of GMI Technology Inc. and its subsidiaries as of June 30, 2026 and 2025, and the related consolidated statements of comprehensive income, changes in equity and cash flows for the six months ended June 30, 2026 and 2025 and notes to the consolidated financial statements, including a summary of significant accounting policies. Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34, "Interim Financial Reporting" endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China. Our responsibility is to express a conclusion on the consolidated financial statements based on our reviews.

Scope of Review

Except as explained in the Basis for Qualified Conclusion paragraph, we conducted our reviews in accordance with the Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" of the Republic of China. A review of the consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing of the Republic of China and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

As stated in Note 4(b), the consolidated financial statements included the financial statements of certain non-significant subsidiaries, which were not reviewed by independent auditors. These financial statements reflect the total assets amounting to $601,106 thousand and $994,186 thousand, constituting 4.65% and 9.62% of the consolidated total assets; and the total liabilities amounting to $75,276 thousand and $667,541 thousand, constituting 0.85% and 8.92% of the consolidated total liabilities as of June 30, 2026 and 2025, respectively; as well as the total comprehensive income(loss) amounting to $21,146 thousand, $(30,021) thousand, $68,178 thousand and $(20,254) thousand, constituting 15.47%, 5.24%, 19.54% and 5.25% of consolidated total comprehensive income (loss) for the three months and six months ended June 30, 2026 and 2025, respectively.

KPMG, a Taiwan partnership and a member firm of the KPMG global organization of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee.

Furthermore, as stated in Note 6(g), the other equity accounted investments of the Group in its investee companies of $79,430 thousand and $14,486 thousand as of June 30, 2026 and 2025, respectively, and its equity in net earnings on these investee companies of $(7,446) thousand, $102 thousand, $(15,290) thousand and $167 thousand for the three months and six months ended June 30, 2026 and 2025, respectively, were recognized solely on the financial statements prepared by these investee companies, but not reviewed by independent auditors.

Qualified Conclusion

Except for the adjustments, if any, as might have been determined to be necessary had the financial statements of certain consolidated subsidiaries and equity accounted investee companies described in the Basis for Qualified Conclusion paragraph above been reviewed by independent auditors, based on our reviews and the review report of another auditor (please refer to Other Matter paragraph), nothing has come to our attention that causes us to believe that the accompanying consolidated financial statements do not present fairly, in all material respects, the consolidated financial position of GMI Technology Inc. and its subsidiaries as of June 30, 2026 and 2025, and of its consolidated financial performance and its consolidated cash flows for the three months and six months ended June 30, 2026 and 2025 in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34, " Interim Financial Reporting" endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Other Matter

We did not review the financial statements of Unitech Electronics Co., Ltd, a subsidiary of the GMI Technology Inc. and its subsidiaries. Those financial statements were reviewed by another auditor, whose review report has been furnished to us, and our conclusion, insofar as it relates to the amounts included for Unitech Electronics Co., Ltd, is based solely on the review report of another auditor. The financial statements of Unitech Electronics Co., Ltd reflect the total assets amounting to $249,352 thousand and $233,455 thousand, constituting 1.93% and 2.26% of the consolidated total assets as of June 30, 2026 and 2025, respectively; and share of profit of associate accounted for using equity method amounting to $6,915 thousand, $639 thousand, $10,750 thousand and $3,863 thousand, constituting 4.06%, (0.21)%, 2.71% and (4.10)% of the consolidated profit before income tax for the three months and six months ended June 30, 2026 and 2025, respectively.

The engagement partners on the reviews resulting in this independent auditors' review report are Chi, Meng-Chun and Yang, Shu-Chih.

GMI TECHNOLOGY INC. AND SUBSIDIARIES

Notes to the Consolidated Financial Statements

June 30, 2026 and 2025

(Expressed in Thousands of New Taiwan Dollars, Unless Otherwise Specified)

(1) Company history

GMI TECHNOLOGY INC. (hereinafter referred to as the "Company") was established in October 1995 with the approval of the Ministry of Economic Affairs, R.O.C., and its registered office is located at 2F, No. 57, Xingzhong Rd, Neihu District, Taipei, Taiwan. The Company and its subsidiaries (hereinafter collectively referred to as the "Group") are principally engaged in the trading and manufacturing of electronic equipment and components, computer software development, trading, machinery and equipment rental, as well as related business services.

(2) Approval date and procedures of the consolidated financial statements:

The consolidated financial statements for the six months ended June 30, 2026 and 2025 were authorized for issuance by the board of directors on August 11, 2026.

(3) New standards, amendments and interpretations adopted:

(a) The impact of the IFRS Accounting Standards endorsed by the Financial Supervisory Commission, R.O.C. which have already been adopted.

The Group has initially adopted the following new amendments, which do not have a significant impact on its consolidated financial statements, from January 1, 2026:

- IFRS 17 “Insurance Contracts” and amendments to IFRS 17 “Insurance Contracts”
- Amendments to IFRS 9 and IFRS 7 “ Amendments to the Classification and Measurement of Financial Instruments”
- Annual Improvements to IFRS Accounting Standards—Volume 11
- Amendments to IFRS 9 and IFRS 7 “Contracts Referencing Nature-dependent Electricity”

(b) The impact of IFRS Accounting Standards endorsed by the FSC but not yet effective

The Group assesses that the adoption of the following new amendments, effective for annual period beginning on January 1, 2027, would not have a significant impact on its consolidated financial statements:

- IFRS 19 “Subsidiaries without Public Accountability: Disclosures” and amendments to IFRS 19
- Amendments to IAS 21 “Translation to a Hyperinflationary Presentation Currency”

The Group expects to adopt the following new and amended standards, which are effective for annual periods beginning on January 1, 2028:

(Continued)

(i) IFRS 18 "Presentation and Disclosure in Financial Statements"

The new standard introduces three categories of income and expenses, two income statement subtotals and one single note on management performance measures. The three amendments, combined with enhanced guidance on how to disaggregate information, set the stage for better and more consistent information for users, and will affect all the entities.

- A more structured income statement: under current standards, companies use different formats to present their results, making it difficult for investors to compare financial performance across companies. The new standard promotes a more structured income statement, introducing a newly defined 'operating profit' subtotal and a requirement for all income and expenses to be allocated between three new distinct categories based on a company's main business activities.

- Management performance measures (MPMs): the new standard introduces a definition for management performance measures, and requires companies to explain in a single note to the financial statements why the measure provides useful information, how it is calculated and reconcile it to an amount determined under IFRS Accounting Standards.

- Greater disaggregation of information: the new standard includes enhanced guidance on how companies group information in the financial statements. This includes guidance on whether information is included in the primary financial statements or is further disaggregated in the notes.

The new standard introduces consequential amendments to IAS 7, which require to use the newly defined operating profit subtotal as the starting point for the statement of cash flows when presenting operating cash flows under the indirect method. The consequential amendments also provide specific guidance on the classification of interest and dividend cash flows.

The Group is evaluating the impact on its consolidated financial statements upon the initial adoption of the new standard.

(ii) Amendments to IAS 28 " The Fair Value Option for Investments in Associates and Joint Ventures"

The Group does not expect the amendments to have a significant impact on its consolidated financial statements.

(c) The impact of IFRS Accounting Standards issued by IASB but not yet endorsed by the FSC

The Group does not expect the following new and amended standards, which have yet to be endorsed by the FSC, to have a significant impact on its consolidated financial statements:

- Amendments to IFRS 10 and IAS 28 "Sale or Contribution of Assets Between an Investor and Its Associate or Joint Venture"
- IFRS 20 "Regulatory Assets and Regulatory Liabilities"

GMI TECHNOLOGY INC. AND SUBSIDIARIES
Notes to the Consolidated Financial Statements

(4) Summary of material accounting policies:

(a) Statement of compliance

These consolidated financial statements have been prepared in accordance with the preparation and guidelines of IAS 34 "Interim Financial Reporting" which are endorsed and issued into effect by FSC, and do not include all of the information required by the Regulations and International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations and SIC Interpretations endorsed and issued into effect by the FSC (hereinafter referred to IFRS Accounting Standards endorsed by the FSC) for a complete set of the annual consolidated financial statements.

Except the following accounting policies mentioned below, the material accounting policies adopted in the consolidated financial statements are the same as those in the consolidated financial statement for the year ended December 31, 2025. For the related information, please refer to note 4 of the consolidated financial statements for the year ended December 31, 2025.

(b) Basis of consolidation

(i) List of subsidiaries in the consolidated financial statements

List of the subsidiaries included in the consolidated financial statements:

			Percentage of ownership			
Name investor	Name of investee	Scope of business	June 30, 2026	December 31, 2025	June 30, 2025	Description

Vector Electronic Co. Ltd	G.M.I. (Shanghai) Trading Company Limited	Trading of electronic components and business marketing consultancy service	100 %	100 %	100 %	Note 1
Vector Electronic Co. Ltd	Hong Da Fu Tong Electronics Company Limited	Trading of electronic components	100 %	100 %	100 %	Note 1

Note 1: Its financial statements were not audited due to being an immaterial subsidiary.

Note 2: Rehear Audiology Co., Ltd. was established and registered on March 22, 2023. The Group held a 29% equity interest in the company. Although the Group did not directly hold more than half of the voting rights, Rehear Audiology Co., Ltd. was included in the consolidated entity because its chairman and management personnel were appointed by the Group, and the Group was able to obtain the support of a relative majority of the voting rights. However, considering that the Group no longer has control over the relevant operational decisions of Rehear Audiology Co., Ltd. starting from 2026, Rehear Audiology Co., Ltd. has been excluded from the scope of consolidation from January 1, 2026.

Note 3: The subsidiary has completed its establishment and registration procedures on February 12, 2025, and its share capital has been invested in July 2025.

Note 4: The company was established on October 30, 2025, and the Group completed its capital injection in May 2026.

(ii) Subsidiaries excluded from the consolidated financial statements: None.

(Continued)

(c) Income taxes

The income tax expenses have been prepared and disclosed in accordance with paragraph B12 of IAS 34 "Interim Financial Reporting".

Income tax expenses for the period are measured by multiplying together the pre-tax income for the interim reporting period and the management's best estimate of effective annual tax rate. This should be recognized fully as tax expense for the current period (and allocated to current and deferred taxes based on its proportionate size).

Temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and their respective tax bases shall be measured based on the tax rates that have been enacted or substantively enacted at the time the asset or liability is recovered or settled, and be recognized directly in equity or other comprehensive income as tax expense.

(d) Employee benefits

The pension cost in the interim period was calculated and disclosed on a year-to-date basis by using the actuarially determined pension cost rate at the end of the prior fiscal year.

(5) Significant accounting assumptions and judgments, and major sources of estimation uncertainty:

The preparation of the consolidated financial statements in conformity with the Regulations and IAS 34 " Interim Financial Reporting" endorsed by the FSC requires management to make judgments and estimates about the future, including climate-related risks and opportunities, that affect the application of the accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Except as described below, the significant judgments made by management in applying the Group's accounting policies, as well as the key sources of estimation uncertainty in the preparation of the consolidated financial statements, are consistent with those disclosed in Note 5 to the consolidated financial statements for the year 2025.

(i) Judgment on whether the Company has substantive control over investees

1) The Company invested in Rehear Audiology Co., Ltd. in 2023. Although the Company did not directly hold more than a majority of the voting rights, it participated in the relevant operating activities of Rehear Audiology Co., Ltd. during the period from 2023 to 2025. Based on such involvement, the Company assessed that it had control over Rehear Audiology Co., Ltd., and accordingly, Rehear Audiology Co., Ltd. was included in the consolidated financial statements.

2) However, starting from 2026, the Company ceased to participate in decisions relating to the relevant operating activities of Rehear Audiology Co., Ltd. In addition, as the Company holds only 23.65% of the equity interest in Rehear Audiology Co., Ltd. and is unable to obtain a majority of the seats on the board of directors, it has been determined that the Company no longer has control over Rehear Audiology Co., Ltd. but retains only significant influence. Accordingly, Rehear Audiology Co., Ltd. has been deconsolidated from the consolidated financial statements.

(ii) None of the Group’s financial asset at fair value through profit or loss had been pledged as collateral.

(c) Prepayments for investments

In April 2026, the Group's Board of Directors approved participation in the investment of preferred shares issued by GMI Computing Holding (Cayman) Ltd. in order to enter the global AI computing power supply chain and enhance the Group's long-term competitiveness and corporate value. The Group acquired 3,865,398 preferred shares at a price of USD2.845761 per share, with a total investment amount of NTD348,700 thousand (USD11,000 thousand). As of June 30, 2026, the related share registration procedures had not yet been completed; therefore, the investment was presented under "Prepayments for Investments".

The subsidiary of the Group, Rehear Audiology, was approved by its board of directors to conduct a cash capital increase on April 25, 2025. A total of 3,525 thousand new shares were issued at a par value of $5 per share and an issue price of $80 per share, with total proceeds of $282,000 thousand. The base date for the capital increase was set on June 24, 2025. The Group did not subscribe to the new shares in proportion to its original shareholding, resulting in a decrease in its ownership percentage from 27.62% to 23.65%, resulting in a change in ownership interests and an increase of $62,705 thousand in capital reserve.

During the current period, the Group no longer has control over its investment in Rehear Audiology Co., Ltd. and has therefore accounted for such investment using the equity method. The aforementioned capital surplus was generated during the period of control and represented the result of historical equity transactions; accordingly, no changes were recognized as of the end of the current period.

(ii) Retained earnings

In accordance with the Company's Articles of Association, if there is any surplus in the annual final accounts, the Company shall first pay taxes to cover for the prior years' deficits and then set aside 10% of the legal reserve, except when the legal reserve has reached the Company's paid-in capital; in addition, special reserve shall be set aside in accordance with the Company's operating needs and laws and regulations. Then any remaining profit together with any undistributed retained earnings shall be distributed according to the distribution plan proposed by the Board of Directors and submitted to the stockholders' meeting for approval.

In order to maintain a sound financial structure and to take into account the interests of investors, the Company adopts a balanced dividend policy by distributing no less than 30% of the distributable earnings and paying cash dividends on 10% or more of the dividends distributed in a given year. If the dividend is less than $3, the Company may distribute stock dividends in full.

(iii) Earnings distribution

On June 17, 2026, the 2025 earnings appropriation was approved in a general shareholders' meeting. On June 25, 2025, the 2024 earnings appropriation was approved in a general shareholders' meeting. The amounts of dividends distributed to owners were as follows:

(t) Employee compensation and directors' remuneration

On June 25, 2025, the Company resolved at the shareholders' meeting to amend its Articles of Incorporation. According to the amended Company's Articles of Incorporation, if the Company incurs profit for the year, the profit shall first be used to offset against any accumulated deficits. Thereafter, a maximum of 2% (in cash) of the remaining net profit shall be allocated as directors' remuneration, and not less than 0.1% (in shares or in cash) as employee remuneration, including a minimum of 15% to those base-level employees. The distribution shall also include those employees of the Company's subsidiaries who meet certain requirements.Prior to the amendment, the Articles of Incorporation stipulated that, if the Company incurs profit for the year, the profit shall first be used to offset against any accumulated deficits. Thereafter, a maximum of 2% (in cash) of the remaining net profit shall be allocated as directors' remuneration, and a minimum of 0.1% (in shares or in cash) as employee remuneration, including those employees of the Company's subsidiaries who meet certain requirements.The distribution of employee remuneration, be it in shares or in cash, has to be resolved at the board meeting. Thereafter, the remuneration to each employee and director should be submitted and reported to the shareholders' meeting.

For the three months and six months ended June 30, 2025, the Company did not accrue any remunerations to employees and directors due to the pre-tax net losses it incurred during the year. Furthermore, for the three months and six months ended June 30, 2026, the Company accrued its employee remuneration of $150 thousand and $450 thousand, respectively, and directors' remuneration of $3,500 thousand and $7,500 thousand, respectively. The estimated amounts mentioned above were calculated based on the net profit before tax, excluding the remuneration to employees and directors of each period, multiplied by the percentage of remuneration to employees and directors as specified in the Company's articles. These remunerations were expensed under operating costs or operating expenses during the six months ended June 30, 2026 and 2025. If the actual amounts differ from the estimated amounts, the differences shall be accounted as changes in accounting estimates and recognized as profit or loss in the following year. However, if the Board of Directors resolved that the employee remuneration is distributed through stock dividends, the numbers of shares to be distributed will be calculated based on the closing price of the Company's ordinary shares one day before the date of the meeting of Board of Directors.

During 2025 and 2024, employee remunerations were estimated at $400 thousand and $600 thousand, respectively; director remunerations were estimated at $7,800 thousand and $10,000 thousand, respectively. There is no difference between the actual distribution and the estimated distribution. Relevant information is available on the Market Observation Post System website.

(v) Financial instruments

Except as set out below, there was no material change in both the fair value of the Group's financial instruments and the associated exposure to credit risk, liquidity risk and market risk. Please refer to note 6(u) to the consolidated financial statements for the year ended December 31, 2025 for relevant information.

(Continued)

(i) Currency risk

1) Exposure to foreign currency risk

The Group's significant exposure to foreign currency risk was as follows:

	June 30, 2026			December 31, 2025			June 30, 2025		
	Foreign currency	Exchange rate	TWD	Foreign currency	Exchange rate	TWD	Foreign currency	Exchange rate	TWD

2) Sensitivity analysis

The Group's exposure to foreign currency risk arises from the translation of the foreign currency exchange gains and losses on cash and cash equivalents, accounts receivable, other receivables, loans and borrowings, accounts payable and other payables that are denominated in foreign currency. A strengthening (weakening) of 1% of the NTD against the USD and the CNY at June 30, 2026 and 2025, would have increased or decreased the profit before tax by $49,116 thousand and $37,598 thousand, respectively. The analysis assumes that all other variables remain constant and was performed on the same basis for both periods.

3) Foreign exchange gains and losses on monetary items

Since the Group has many kinds of functional currency, the information on foreign exchange gain (loss) on monetary items is disclosed by total amount. For the six months ended June 30, 2026 and 2025, foreign exchange gain (loss) (including realized and unrealized portions) amounted to $85,974 thousand and $(323,383) thousand, respectively.

(ii) Fair value of financial instruments

1) Fair value hierarchy

The fair value of financial assets and liabilities at fair value through profit or loss, financial instruments used for hedging, and financial assets at fair value through other comprehensive income is measured on a recurring basis. The carrying amount and fair value of the Group's financial assets and liabilities, including the information on fair value hierarchy were as follows; however, except as described in the following paragraphs, for financial instruments not measured at fair value whose carrying amount is reasonably close to the fair value, and lease liabilities, disclosure of fair value information is not required:

	June 30, 2026				
		Fair Value

Convertible corporate bond recallable rights	400	-	400	-	400
	$ 72,043	**71,643**	**400**	**-**	**72,043**

2) Valuation techniques for financial instruments measured at fair value

If a financial instrument has a public price in an active market,the public price in an active market is the fair value. Market prices published by major exchanges and central government bond over-the-counter trading centers are considered sought after securities and are the basis for the fair value of listed equity instruments and debt instruments publicly quoted in active markets.

The public price of a financial instrument is provided on a timely and regular basis by an exchange, broker, underwriter, trade association, pricing service or authority, which represents actual and frequent fair market traders. If the above conditions are not met, the market is considered inactive. In general, large bid-ask spreads, increasing bid-ask spreads, or low volume are indicators of market inactivity.

Measurements of fair value of financial instruments without an active market are based on valuation techniques or quoted prices from competitors. Fair values, measured by using valuation techniques that can be derived from the current fair values of other financial instruments with substantially similar terms and characteristics, discounted cash flow analysis, or other valuation techniques, including models utilizing market information available at the reporting date.

(v) Property transaction

1) In April 2024, the Group sold its 200 thousand shares in Rehear Audiology to its management for $1,000 thousand, which has already been received. As the Company considers its development and improvement of its shareholder structure, it has reached an agreement with the aforementioned management on December 31, 2024 for the Group to repurchase the entire shares above at the original price on March 21, 2025, wherein the payment has been made as of the reporting date.

2) On March 11, 2025, the Group sold equipment to a related party for a total consideration of $14,253 thousand, as approved by the Board of Directors on the same date, and completed the transaction in June 2025, resulting in a gain on disposal of $527 thousand. In addition, the Group also purchased equipment from GMI Computing for a total of $7,857 thousand. As of June 30, 2025, the outstanding net receivable related to both transactions above amounted to $6,812 thousand.

3) In December 2025, the Group sold computer peripherals to another related party, GMI Computing, with the related receivable amounting to $1,438 thousand. As of December 31, 2025, the outstanding receivable was $1,438 thousand. The related amount was fully collected during 2026.

(vi) Financial leases

1) The Group entered into two 5-year lease agreements, at the total contract amounts of $2,202,835 thousand (USD66,340 thousand) and $747,936 thousand (USD23,402 thousand), for its 127 and 52 units of GPU servers to be leased out to its related party, GMI Computing, starting from March 1, 2025 and July 1, 2024, with the monthly rentals of USD1,106 thousand (excluding tax) and USD390 thousand (excluding tax) within seven days after invoicing, wherein the Group had obtained the principal notes of $76,855 thousand and $6,238 thousand, respectively, from GMI Computing .

   The lease periods under the aforementioned agreements cover the major useful life of the underlying assets. Based on the contractual terms, substantially all risks and rewards incidental to ownership of the assets have been transferred. Therefore, the Group has classified these leases as finance leases. On March 1, 2025 (the lease commencement date) and July 1, 2024 (the lease commencement date), the Group derecognized the machinery and equipment costs of $1,537,977 thousand and $524,347 thousand, respectively, and recognized finance lease receivables from the related party.

2) On May 9, 2025, the Board of Directors approved revisions to the transaction terms for 127 GPU servers, changing the collection period from within seven days after monthly invoicing to within ninety days. During the second quarter of 2025, the Group recognized a lease modification loss of approximately $49,012 thousand (USD1,673 thousand), which was recorded under "Operating costs".

3) On December 26, 2025, the Group's shareholders' meeting approved an adjustment based on actual operating conditions, whereby 127 units of H200 GPU servers were transferred to the U.S. subsidiary, GMI USA, at a sale price of USD44,233 thousand (approximately NTD1,390,243 thousand), to be received in 36 installments. In addition, the original lessee, GMI Computing International LTD. Taiwan Branch (CAYMAN ISLANDS REPUBLIC) (hereinafter " GMI Computing"), agreed to change the lessee from GMI Computing to GMI Cloud US Inc. Other terms of the transaction, including the lease period and monthly lease payments, remained unchanged; therefore, the Group signed a supplementary agreement with the related party on December 26, 2025, to transfer all rights and obligations under the equipment lease agreement dated January 10, 2025, to GMI USA and GMI Cloud US Inc.

4) Due to market factors, GMI Computing negotiated with the Company to terminate the lease agreements for certain servers and committed to bear any losses incurred by the Company as a result of the disposal of the related assets. On October 20, 2025, the Board of Directors approved the termination of the lease agreements for 31 servers. Subsequently, the Company sold such servers to Konsttech LTD. on October 27, 2025, for a total consideration of USD5,019 thousand (approximately NTD154,185 thousand), which was fully collected in October 2025. In addition, pursuant to the agreement between the Company and GMI Computing, GMI Computing bore the disposal loss totaling USD 3,000 thousand (approximately NTD93,000 thousand), and the related compensation was fully received in December 2025.

5) For the six months ended June 30, 2026 and 2025, the Group recognized rental interest income and the present value of the related lease receivables arising from the above transactions. For related disclosures, please refer to Notes 6(e) and 6(s). Cash collections from finance lease receivables amounted to NTD134,809 thousand (USD4,262 thousand) and NTD146,504 thousand (USD4,552 thousand), respectively.

(vii) Others

1) During the period from January 1 to December 31, 2025, the Group paid server room rental and related expenses amounting to $50,386 thousand (excluding VAT) on behalf of another related party, GMI Computing. As of December 31, 2025, the related outstanding amount had not yet been collected and was recorded under "Other receivables - related parties." As of June 30, 2026, the related amount had been fully collected.

2) For the six months ended June 30, 2026, the Group paid server room rental and related expenses totaling $66,671 thousand (excluding VAT) on behalf of other related parties, GMI Computing and GMI Cloud US. As of June 30, 2026, an outstanding balance of $36,568 thousand has not yet been collected.

3) For the six months ended June 30, 2026 and 2025, the Group paid consulting fees of $0 thousand and $1,143 thousand, respectively, to other related parties. In addition, for the six months ended June 30, 2025, the Group paid cloud server maintenance fees of $1,187 thousand to other related parties. Furthermore, for the six months ended June 30, 2026, the Group paid warehousing fees of $20 thousand to other related parties.

4) For the six months ended June 30, 2026, the Group received rental income of $457 thousand (excluding VAT) from another related party, Rehear Audiology. As of June 30, 2026, $240 thousand remained outstanding and was recorded under "Other receivables - related parties."

(viii) Details of the accounts receivable, accounts receivable – related parties, and lease receivables arising from the transactions described in Items 6 and 7 above are as follows:
